NOTICE OF PUBLIC HEARING

Regarding the K-6th Science Adoption Materials Preview

K-6th National Geographic, Exploring Science California

NOTICE IS HEREBY GIVEN that the Bangor Union Elementary School District is in the process of adopting new materials for K-6th grade Science. These grades have not had a new textbook since 2000. Teachers have been working together to select and evaluate new materials.

From June 9 - June 23, 2022 (M-TH), the Bangor community is invited to preview new K-6th Science instructional materials proposed for district adoption. All adoption materials are available for viewing at the School Library. The materials will not be available for check out. An adoption decision is expected to be made at the June 23, 2022 Board meeting.

The final hearing will be held during the Special June 23rd meeting of the school board at Bangor School in the school library.

**On Thursday, June 23, 2022
Public session starting at 6pm**

If you have any questions about this public preview, please contact Christina Atcheson at catcheson@bangorunion.org or call 530-679-2434 x201.
